Blessed are you  
who teaches us that  
all the joy in the world  
does not cancel out all  
the pain & all the pain  
in the world does not  
cancel out all the joy.  
Thank you for the  
understanding that the  
opposite of hopelessness  
does not have to be

Thank you for  
reminding us to honor  
our grief & our love.

Even if the world is  
unable to be repaired  
we will fight because  
we're in love with a  
world worth fighting for
