Bracha for acting in  
Solidarity

May we remember that  
our struggles are bound  
up together—that none  
of us are free until all  
of us are free. May we  
center frontline voices  
& ground our actions in  
love. May we let go of  
ego so that we neither  
rush ahead seeking glory  
nor freeze seeking perfection.  
May we honor our  
interconnection.

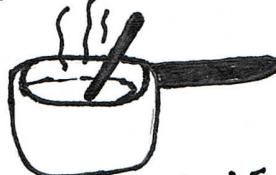

## How to Wheatpaste!

1. Combine 1 part flour with 4 parts water

2. Heat to just below a boil while whisking constantly until the mixture thickens

3. Spread propaganda! For best results spread a thin layer of glue on the poster & the surface you're sticking it to. Check out Justseeds for lots of powerful images!

## TIPS for PROTESTING

### What to Bring

- a mask! good against covid & facial recognition
- snacks/water
- a sweater
- Your id maybe? if you're detained w/out an id you may be held longer, but you may choose based on state/situation to go without it
- Cash
- The number of a lawyer from the National Lawyer's Guild written on your body

You have a right to remain silent!

You have a right to a lawyer!  
(don't say/sign anything you don't understand!)

If you are arrested assume you'll be listened to in jail. Don't talk about people or events involved!

### IMPORTANT

Don't post pictures or videos from protests with people's faces in them! Police/ICE can use them to track down and convict people!
